PROJECT TITLE:

ONLINE QUERIES AND REQUESTS FOR SUMMARY OF RATING FOR TEACHER-I APPLICANTS

BACKGROUND AND RATIONALE

During this time of pandemic where people are not advised to go out except for essential purposes, we must be innovative enough to continue our lives despite this life-threatening pandemic. One way to create a safe interaction between people is to use our technology. And the Department of Education take part in providing clients a safe and convenient access to our services. ASDS Office as one of the offices which has a huge numbers of clients per day found a way to lessen the face-to-face intervention. Out of those clients, most of them are teacher applicants requesting for their rating/points in the RQA. To protect our employees as well as the clients from high probability of being exposed to the virus, an online queries and request for the summary of their rating/points is the best solution.

DESCRIPTION OF PROJECT

The ASDS Office will use the Google Form thru links which will be disseminated to SDO Offices, Districts, Schools and Social Media account of SDO Catanduanes for wide dissemination. They will access the provided link and fill-out the data needed for them to get their rating/points and queries.

These are the link that will be provided to the teacher applicants for them to accomplish to be able to request for their summary of rating/points and queries.
