OCTOBER 12 – 14, 2021

CALL FOR PAPER

DEPARTMENT OF EDU
REGIONAL OFFICE
RAWIS, LEGAZPI

JUN 10 2021

RECEIVED BY: *[Signature]*

Theme: Transforming the future through innovative integration of technology and engineering for diverse cultures and global societies.

Host: Bicol State College of Applied Sciences and Technology (BISCAS)

Implementing College:

College of Engineering and Architecture (CEA)

Coordinating College/Office:

College of Trades and Technology (CTT)

Research, Extension, Production and Enterprise Development (REPED)

Partner: International Cross-Cultural Exchange and Professional Development – Thailand (ICEPD)

Co-Host: Camarines Sur Polytechnic College (CSPC)

Rationale:

The challenges of the fast growing technology driven society have its demand for academic institution to share the knowledge, skills, attitudes, and experiences using their most updated pedagogical tools through the field of research. Hence, BISCAS commits to provide an opportunity for the academic institutions of the country to have scholarly discussions and exchange of ideas bringing about educational transformation and technological advancement that will create positive impact globally.

This three-day conference will provide an avenue for the educators and stakeholders to continuously showcase their research works and innovations in their fields of expertise especially on Technology, Engineering, Culture and Society. This will also lead to international collaborations and partnerships for appropriate application and utilization of technologies.

Objectives:

The conference aims to:

1. Provide a proper venue for intellectual discussion of research findings related to continuous advancement in technology, culture and society.
2. Strengthen the capacity of the researchers to communicate relevant findings to the academic and industrial community.
3. Create a community of scholars who can collaborate with other participants to come up with future research projects.
