1. This is to inform the field that the Simon of Cyrene organization will be conducting a **3-day Training on Personal Safety Lessons for Teachers Handling Deaf Children on August 31-September 31, 2021** to elementary and Secondary Schools via zoom. Part of the advocacy of the organization is Child Protection and Inclusive Education in partnership with Center for the Prevention and Treatment of Child Sexual Abuse.
2. The training aims to address the following child protection issues faced by deaf children:
 - Lack of communication due to limited sign language skills;
 - Isolation due to limited communication, hence a tendency to mistrust others;
 - Tendency to be passive and submissive due to lack of understanding of the risks; and;
 - Lack of self- protective skills because parents/ guardians / teachers cannot/ not able to communicate safety rules.
3. The target participants to this activity are SDO SPED Coordinator and one (1) teacher handling deaf children for elementary and high school from municipalities of Virac, San Andres, Caramoran and Pandan.
4. For more information and details of the activity, you may contact Ms. Mary Joy R. Llandelar-Coordinator for Catanduanes or you may send a message thru mobile number 09489548978.
5. For information and guidance.
