May we apply to use the school/division/local funds or to any available funds for this purpose with approval from the Schools Division Superintendent subject to the usual accounting and auditing rules and regulations.

In this regard, we are **requesting your good office for a copy of memo/advisory which we can disseminate and support this international seminar through a wide dissemination of invitation** to supervisors, principals, teachers, and DepEd personnel to attend the said event.

This is to continue our mission of reaching out to the educators of the province and share with them precious lectures on life which we believe will make them better teachers, principals and supervisors. Based on the many feedback that we gathered from the participants, many of them expressed their thanks for such enlightening discussions and lectures that they have heard.

We hope that these requests merit your most favorable consideration. Thank you very much!
