Technical & Advocacy Center
(CYWTAC), Inc.**

11 May 2019

Dear Honorable Schools Division Superintendent:

Greetings from CYWTAC Legazpi!

Researchers and educators agree that play is a critical part of childhood learning that should not be sidelined. A great deal of research has concluded that play-based learning is genuinely and positively impactful on student learning and development. Beyond stimulating young minds to be receptive to learning, play is a necessary component of brain development for children.

With these in mind, the children and Youth Wellness Technical & Advocacy center (CYWTAC), Inc., a DSWD licensed and accredited community-based non-government organization in Bicol Region will hold a specialized one-day course on: **"PLAY-BASED TEACHING for Teacher Teaching Early Childhood Education"** on July 2, 2019 at **ADS Events Place**, Florante cor. Vinzons Sts., Sagmin, Legzpi City. This special course will cover discussions and workshops on: **Purposeful Play, Play-based Instruction/Teaching and strategies.**

In this connection, may we invite your teachers teaching Grades Pre-School, Kindergarten to Primary years, Day Care Teachers, SPED teachers and other interested teachers of your institution and division offices?

The following Registration fee will be collected to cover meals during the training

May to June 15, 2019	-	P1,500.00
June 16 - onsite	-	P2,000.00

This is a live-out conference. Accommodation and transportation are on participants cost. CYWTAC will limit the number of participants for this conference as most of the topics will involve intense workshops so, **FIRST RESERVATION, FIRST SLOT** scheme will be applied.

Registration Fees are transferrable but not refundable.
