- c. provide orientation, training, technical assistance, and other activities related to the ARH program;
3. A Learner Support Center will serve as the center for information, providing a supportive, accessible, and confidential environment. It also provides guidance on positive sexual behaviors. It serves as a hub for learners with health, psychosocial, and RPRH concerns and other learner support services. It will also serve as an avenue for referral mechanisms to the community adolescent-friendly facility.

The LSC will be the generic name for the new and existing centers. However, the existing centers, such as the Teen Health Kiosk, Teen Center, Kabataan Center, KADA Center, TeenDig, etc, that partners and stakeholders support will retain their original brand names.

The center shall have the following areas, at the minimum:

- Guidance room/ corner; and
- Activity area which can be used for recreational activities.

5. The identified two (2) secondary schools per SDO will be provided with a program support fund amounting to P50,000.00 each to refurbish, reactivate, and establish the LSC. School Heads shall submit a signed Work and Financial Plan (Annex A) to the Schools Division Office (SDO) for reference.
