SUBJECT: Conduct of the CY 2024 Quarterly Nationwide Simultaneous Earthquake Drill

Rule 6, Section 7 of the Implementing Rules and Regulation of the RA 10121 states that "Public awareness shall also be undertaken through the conduct of drills by the LDRRMO on a regular basis". Likewise, the National Disaster Risk Reduction and Management Plan states that one of the activities to achieve Outcome 10: "Developed and implemented comprehensive national and local preparedness and response policies, plans, and systems" is also to develop/enhance and simulate scenario-based preparedness and response plans. Furthermore, one of the policy frameworks stated in the National Disaster Preparedness Plan as embedded in the fourth priority area of the Sendai Framework for Action 2015-2030 includes the target: to promote regular disaster preparedness, response and recovery exercises".

NDRRMC Memorandum No. 06 s. 2023 allowed the resumption of the conduct of traditional or in-person Nationwide Simultaneous Earthquake Drill (NSED) beginning from the first quarter of 2023.
