Dear RD Sadsad;

Greetings!

Dancesport is a game widely known as competitive ballroom dancing participated by a pair on a dance floor with the objective of displaying technical quality, movement to music, partnering skills and choreography and presentation. It is already part of the Demo Sports in Palaro.

As bicolano teacher athletes competing national and international, we want to bring, educate, and show what Dancesport is to our province. With the help of Province of Albay, **Jef and Kate Dance Studio** organized the **1<sup>st</sup> ever National Dancesport Competition** in Region V as part of **Magayon Festival Celebration** which will be held on **May 13-14, 2023, at Albay Astrodome, Legazpi City.**

The following is our objective

- to show quality and standard dancesport athletes and event
- to inspire and encourage more Bicolano athletes
- to educate how it works and what really dancesport is
- to produce more athletes that we can support and compete in National and International level
- to spread right education in terms of dancesport

We add "CLOSED BICOL REGION" event category to give chance to all elementary and secondary students from different division to experience this kind of National event not just those athletes from different division who qualify to step up for Palarong Bicol.

With this advocacy to our province and the support from your good office to endorse this information to different Division in Department of Education Region V, we believed that we can achieved this kind of advocacy.

Attached is the Tentative Poster and Official Entry Form.

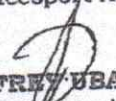

Looking forward for your positive response

We are very much willing to have a meeting with you if you have any clarification.
