**DIVISION MEMORANDUM**

No. 102 s. 2023

**MAPEO: Campaign/Survey for  
Proposed Full Implementation of Special Program in Foreign Language (SPFL)  
at Catanduanes National High School (CNHS)**

To: Asst. Schools Division Superintendent  
Chiefs Education Supervisors – CID and SGOD  
Education Program Supervisors  
Public Schools District Supervisors/In- Charge of Districts  
Secondary and Elementary School Heads  
All Others Concerned

1. As highlighted in DepEd Memorandum No. 560, s. 2008 , the “Department of Education aims to provide learners with opportunities that will make them both locally and internationally competitive using a foreign language by implementing Special Program in Foreign Language (SPFL) in secondary public schools nationwide,” thus this project MAPEO: Campaign/Survey for Proposed Full Implementation of Special Program in Foreign Language (SPFL) at Catanduanes National High School (CNHS).
2. It has been 12 years since Catanduanes National High School offered foreign language class as an elective subject in lieu of TLE. Hence, conducting a face-to-face survey/campaign is necessary and relevant to the proposed full implementation of the Special Program in Foreign Language (SPFL) at Catanduanes National High School. Through a survey, the proponents will be able to determine the number of prospective SPFL learners, identify potential barriers, and assess the feasibility of offering the said program.
3. Recognizing the need to develop the learners’ skills that are fundamental in acquiring communicative competence in a foreign language, Catanduanes National High School offered it as an elective subject in SY 2010-2011 in lieu of TLE. However, CNHS is still offering it as an elective for more than a decade now which is no longer aligned with the recent implementing guidelines stipulated under DepEd Order No.02, s. 2019, that “the SCPs will no longer take the place of the TLE, instead, the SCP will be treated as an additional subject.
4. This mapping and survey aim to:
  - (1) To increase awareness of potential learners of the program on the benefits of learning a foreign language
  - (2) To assess the level of interest in the program among potential participants
  - (3) To build support for the program among key stakeholders.

5. With the presence of two Foreign language Spanish teacher-scholars and to address the implementation of the proposed full implementation of Special Program in Foreign Language (SPFL), a scheduled campaign to graduating grade six (6) learners is attached for information and dissemination of concerned schools. However, interested learners from other schools may also inquire and enroll in the upcoming opening of Special Program for Foreign Language class in Spanish for the next school year.

6. A survey form will be distributed during the campaign and survey, interested enrollees for the pioneer grade seven (7) learners may contact directly the Catanduanes National High School Spanish scholar-teachers and contact email ad:
