Time: 4:00 pm *Ambar*

Dear *Madam*;

Greetings of Peace!

Concerning the Gulayan sa Paaralan Program (GPP), the Provincial Agricultural Services Office (PASO) is pleased to inform you that the Technical Needs Assessment (TNA) that we conducted last year has been completed successfully, and a focus group discussion among selected GPP coordinators is set to be held to complement the data obtained. The purpose is to come up with a comprehensive baseline that could be used as a reference for program enhancement for more effective and efficient implementation.

Aside from the FGD, we have already identified 30 schools to benefit from the GPP intervention for SY 2024. One of the bases for the selection was the reported top 20 nutritionally depressed barangays in three indicators, namely, wasting, stunting, and underweight in the province.

That being said, we humbly request that your office notify the concerned school administrators and district supervisors ahead of time of the upcoming activities. For your reference, we have attached the FGD schedule and the 30 GPP-participating schools. If you have any questions, please contact us by email at mayatorres1980@gmail.com or by phone at 09126974347.

Thank you for your usual support and cooperation.

Very truly yours,

ACE WILLIAM R. TRIA
Provincial Agriculturist
