Dear Sir/Ma'am:

Greetings!

The undersigned is the HR Specialist II of the Civil Service Commission Regional Office V (CSC RO V) and is currently pursuing her postgraduate studies at the International University of Japan (IUJ). As part of her study, she is conducting a survey on **Civil Servants' Training Preference and Learning Outcomes in the Bicol Region**, which aims to assess the learning preference of civil servants in the Bicol Region and identify its outcomes, specifically in improving job performance.

In connection to this, the undersigned respectfully requests your agency's support and participation in accomplishing the survey. The survey targets civil servants across the different sectors in the Bicol Region, regardless of positions and appointment, who attended CSC RO V training. It will be conducted online via this Google Form link: <https://docs.google.com/forms/d/e/1FAIpQLScQQWGoEOUjN7NOofxQhsBgomPeqEiZkae6iQs6Eh8xY0qINw/viewform> (attached also is the QR code for convenience) and is accessible starting today until **March 11, 2025**. It consists of questions related to demographic information, training perception, learning application, challenges, and recommendations in ensuring training effectiveness. It will take approximately 15 minutes to complete.

Rest assured that the data collected will be used only for the purposes disclosed as intended. Moreover, anonymity is guaranteed in this survey; personal information will not be disclosed and the results will be provided in aggregate form (in figures or tables).

For further inquiries, you can reach me via this email address. Thank you very much and God bless!

Respectfully,

JAZZLEENE L. OPERIO

Researcher
