SUBJECT : SDO COVID-19 VACCINATION PROGRAM SIMULATION EXERCISE

1. The Schools Division Office of Catanduanes, under the Schools Governance and Operation Division, through the School Health and Nutrition Unit has always been focused on the health welfare of its populace in terms of health education and dissemination, health services and partnership. With the current health situation against COVID19, the availability of vaccines and priority group involvement of the Teaching and Non-Teaching Personnel of DepED as frontline workers, it is of great essentiality to be prepared and to immerse our SHN team, who voluntarily accepts the challenge to engage themselves in the exciting roles of being the SDO's front liners in the provincial war against the prevention of the deadly disease by aiming to have an SDO led Vaccination activity for all SDO employees.

2. With this on mind, and in coordination with the Provincial Health Office and the Rural Health Unit of the municipality of Virac, the **SDO Simulation Activity for Vaccination (SIMEX)** is scheduled on the **29th of July, 2021, at 1:00 o'clock in the afternoon**, at the SDO Lobby.

3. The following personnel are then needed to be present in the said event and will act out an approved Department of Health Vaccination Activity as members of the PHO, Virac RHU and DOH representatives to observe and rate. All our Department Heads and Section Unit leaders are invited to observe and witness.
