1. This has reference to the Voter Education Integrated in the Basic Education Curriculum, a project launched on November 18, 2019 through a Memorandum of Agreement between DepEd Catanduanes and the Commission on Elections.
2. It can be recalled that lesson exemplars integrated with Voter Education in Araling Panlipunan, Mathematics, EPP/TLE, Science, Filipino, Edukasyon sa Pagpapakatao (EsP), English, Social Science, Kinder, and Alternative Learning System were developed, field validated with COMELEC officials and quality assured.
3. In connection with this, all Elementary and Secondary Schools, including ALS are advised to facilitate the implementation of the project during our face-to-face classes as our continuous support especially for the next electoral activity.
4. It is also recommended that the said Lesson Exemplars be converted into learning resources in digital formats such as e-books, video-lessons or podcast lessons as needed.
5. The SDO Catanduanes is also grateful that the COMELEC, through a letter of our Provincial Election Supervisor has again expressed their readiness to assist in the implementation of this project.
