Public Elementary and Secondary School Heads
All Others Concerned

1. Attached is a Memorandum from the Office of the Governor enjoining the Division to participate in the **2022 International Coastal Clean-Up Day** on September 17, 2022 (Saturday).
2. The International Coastal Clean-Up (ICC) Day is a global event that unites countries and people with one common goal: to show concern for the growing marine debris problem by removing trash/debris along shorelines, rivers, lakes, waterways, and gathering data for the kind of trash collected.
3. In this regard, participants in the Debriefing Activity for OPCRF Evaluation are enjoined to participate first in the cleanup drive while those involved in the parade for the basketball activity will attend that activity. The drive will commence at 5:30 a.m. for an Opening Program at the Provincial Capitol. CNHS, VPES, and nearby schools may also participate in this activity. Other SDO employees may also signify their participation thru the link, <https://forms.gle/tGaHMNCmxqUEc95y9>.
4. The area of responsibility for DepEd during this drive will be along Barangay San Roque going to Citizen Drug 1. Participants will wear the Teachers Day white t-shirt or any white shirt (old and worn) for DepEd identification. Also, participants may bring cleaning materials and trash bags, and all collected plastics or non-biodegradable waste must be turned over to the garbage collector for proper disposal.
5. Immediate and wide dissemination of this Memorandum is desired.
