DATE: September 6, 2021

1. DepEd Order (DO) No. 001 s. 2020, otherwise known as the *Guidelines for NEAP Recognition of Professional Development Programs and Courses for Teachers and School Leaders*, states that "the quality of professional development (PD) programs and courses shall be assured through a Recognition System that requires alignment to professional standards for teachers and school leaders, responsiveness to identified professional development priorities, promotion of dynamism, innovation and application at the classroom level, and transparency and consistency."
2. The National Educators Academy of the Philippines (NEAP) hereby provides the field offices and units the attached roster of NEAP-Recognized Professional Development Programs (as of September 1, 2021) for reference and guidance as well as for dissemination to the teachers and school leaders.
3. The roster of programs indicates the DepEd Service Provider (DSP) and/or Learning Service Provider (LSP), the title of the program and/or course, indicative date/s of implementation, and the corresponding registration fee/subsidy.
4. Participation in any NEAP-recognized professional development activities shall be voluntary in nature.
5. DSPs and LSPs with NEAP-recognized PD programs and/or courses shall inform NEAP Central Office their intent to implement the recognized PD program/course by submitting their schedule of implementation to the NEAP Registration Committee at least 45 calendar days prior to scheduled implementation via askneap@deped.gov.ph. A registration link shall be provided to the LSP/DSP where the teachers and/or school leaders can register. Data on teacher and school leader participation in the programs shall be included in the PD record of teachers and school leaders.

6. The participation of teachers and school leaders in NEAP-recognized PD programs and courses shall result in award of PD credit units. In the interim, a PD credit banking mechanism is being adopted by NEAP for the documenting and recording of PD credit units earned by teachers and school leaders (per DepEd Order No. 020, s. 2020). The PD credit units earned shall later be applied in the implementation of the career progression policy currently being developed by the Bureau of Human Resource and Organizational Development (BHROD).
7. The participation of teachers and school leaders in NEAP-recognized PD programs and courses shall likewise be supported in accordance with DepEd Order No. 30 s. 2021 (Multi-year guidelines on the allocation and utilization of the human resource development fund for teachers and school leaders). Participation to programs that are provided through distance learning modality shall be supported through the provision of a communication package that will be made available to the teachers in due time.
8. Regional offices are enjoined to coordinate closely with NEAP on the identification of participants to the recognized programs. Teachers and school leaders who were identified and consented to participate in NEAP-recognized programs and courses should ensure their registration to the said programs and courses.
9. All LSPs are authorized in the NEAP-Central Office. Programs and courses of LSPs to be provided with a subsidy are also determined by the NEAP-Central Office. The use of local funds to support teachers and school leaders' participation in non-subsidized programs shall be subject to existing government accounting and auditing rules and regulations.
10. The roster of NEAP-recognized PD programs and courses with target participants and indicative date of implementation and corresponding fees (if any) is found in Annex A.
