Attn: MS. JENNIFER B. METICA
Information Technology Officer – I

Dear **Dr. Collano**,

Greetings from the Department of Information and Communications Technology (DICT) - Luzon Cluster 3!

The Department of Information and Communication Technology, through its Tech4ED Project, believes that ICT has the power to transform and improve lives. Because of this, the Department has partnered with various local government units, agencies, and organizations to further extend the benefits of ICT through the establishment of Tech4ED Centers in unserved and underserved regions of the Country.

Through the provision of digitally enabled contents and services, underserved and unserved regions of the Country experienced improvement in their quality of life. In its quest to provide relevant services, people behind this movement – managers, local leaders, constituents and project heads – have constantly embraced innovation to keep up with the challenge making the Tech4ED Centers responsive and relevant to the needs of the community.

And it is for these tireless efforts, sheer hard work and valuable contributions that the DICT – Luzon Cluster 3 Office is conducting its Search for Outstanding Tech4ED Centers 2021 in the Cluster. Envisioned to give beneficiaries the needed recognition for their efforts as a valuable knowledge center in their area, the award seeks to recognize the best and finest Tech4ED Centers.

The Technology empowerment for Education, Employment, Entrepreneurship, and Economic Development (Tech4ED) of the DICT would like to cordially invite you and the Center Manager to participate in the awarding ceremony of the Search for the **Most Outstanding Tech4ED Centers** in Luzon Cluster 3 2021 on **December 7, 2021** from **9:00 AM until 12:00 NN**. The event will be done online via **Zoom platform**.

Attached is the program of activities for your reference.
