Dear *Madam*:

Greetings from the Provincial Agricultural Services Office!

We are pleased to inform you that the Gulayan sa Paaralan Program (GPP) has successfully taken off, and that all 30 beneficiary schools have received their intervention packages. As monitoring and on-site technical assistance are continuously being provided by our Agricultural Extension Workers (AEWs), several concerns were brought to our attention, thus, we have arranged a meeting with the school heads/GPP coordinators or they may send a representative (if possible, has attended past GPP meetings) to discuss issues and possible resolutions to better GPP implementation.

The meeting is on *November 20-21, 2024 at 8:00 AM to 5:00 PM to be held at Queen Maricel Inn, San Isidro Village, Virac, Catanduanes*. Also, for a more comprehensive and participative meeting, we have requested school heads to prepare report on the updates and issues encountered relative to GPP implementation, template provided and was uploaded to the clustered GCs.

With this, may we respectfully seek your assistance to convey this message to the **district supervisors, school heads, and GPP program coordinators**. Attached is the schedule for the meeting. Kindly reach us at 09198664741 or via our GCs.

Thank you.

Very truly yours,

ACE WILLIAM R. TRIAS
Provincial Agriculturist
