Dear SDS Abayon:

Greetings from Fundación Educación y Cooperación – EDUCO!

First, we would like to convey our appreciation for your continued support of Educo Philippines programs for children that focus on safe, equitable, and quality education, where children enjoy their rights, develop their full potential, and lead a life of dignity.

As we approach the conclusion of the three relevant projects in the municipality of Caramoran specifically:

- **Project STEPS: Systematic Approach to Engage Children in their Protection and Safe and Protective Environment** which aims to demonstrate active participation in child-led and community-led prevention and protective initiatives both in normal times of crisis and disasters among children and adolescent
- **Project ChildGov: Social Innovation for Mainstreaming Child Rights in Governance** which aims to empower children to organize themselves and exercise their agency to promote human rights and accountability and;
- **Project CAST: Children as Agents of Social Transformation** which aims to capacitate children especially the child leaders on child-led project management and advocacy.

Educo Philippines would like to highlight key accomplishments, best practices and emphasize the importance of children's active participation as a central strategy for amplifying their voices through child-led projects, advocacy efforts and stakeholders' contribution and initiatives to elevate children's voices in the development of programs, projects, and advocacy efforts.

In line with this, a **Learning Summit** with the theme of **Bata, BIDA Ka (Be Involved. Decide and Act)** will be conducted which will serve as a platform to showcase exemplary practices in promoting child participation, document the collective accomplishments, and extract key learnings. The event is designed not only to celebrate the remarkable contributions of the children involved but also to strategically advance child rights promotion, foster positive social change and strengthen community involvement in promoting and upholding children's rights.

In this regard, child leaders, educators, local government officials, national government agency representatives, and other relevant stakeholders will gather **August 9, 2025 from 7:00 am - 4:00** at **Caramoran Municipal Covered Court** which originally scheduled last July 19, 2025. The organization will shoulder regular transportation expenses (*through reimbursement*) and food will be served during the event.

Furthermore, may we ask the support of your good office in giving **one day (1) service credit** and sending official communication to the invited participants.

Attached in the **list of invited participants** from Caramoran District (North and South) and **Catanduanes DepEd Division** for your reference. Likewise, attached is the **consent form for children** that is required to be submitted to Educo prior to the activity.

If you have queries, you may reach out to our **Program Officer, Mr. Venjie Cabria** through number **0927 552 1604** or email at venjie.cabria@educoco.org.

We are looking forward to your positive response. Thank you and stay safe!
