Madam:

Greetings!

According to the HIV/AIDS and ART Registry of the Philippines, in the past decade, the Philippines has gained notoriety as the country with the fastest-growing human immunodeficiency virus (HIV) epidemic in the Western Pacific region. From 2012 to 2023, there was a 411% increase in daily incidence. Various steps have been taken to address the HIV epidemic in the country. The Philippine HIV and AIDS Policy Act of 2018 (Republic Act 11166) otherwise known as the "Philippine Aids Prevention and Control Act of 1998" expanded access to HIV testing and treatment.

In support with the local HIV policies and laws in Virac, the **MUNICIPAL RESOLUTION NO. 2017-07-208**, known as the "**VIRAC STI/HIV/AIDS COUNCIL**", **SECTION 4: a. HIV/AIDS education**, the provision of information on the causes, prevention and consequences of HIV/AIDS and activities designed to assist individuals to develop the confidence and skills needed to avoid HIV transmission and to develop the confidence and skills needed to avoid HIV transmission and to develop more positive attitude towards people living with HIV/AIDS, and **b. PEER EDUCATOR-** person belonging to the same group or same social network of the target population, who is trained to conduct HIV/aids health education activities, the Municipal Health Office of Virac yearly conducts **Peer Educator Orientation on HIV, AIDS AND STI** as one among of the several programs and services offered by the Municipal Health Office addressing the HIV.

This activity is also in support with the "**Oplan Kalusugan sa Department of Education**" (**OK sa DepED**) which is a convergence of health programs and activities aim to provide students with health education and services to allow them to attain their full educational potential and one of its flagship programs is the **Adolescent Reproductive Health**.

In view of this, we would like to invite 1 junior student and your guidance counsellor or school nurse as the participants on the said activity this coming November 28, 2023, 8:30-4:00PM at Raddell Inn, Virac, Catanduanes. Other participants will be representatives from the LGBTQIA+ organization and representatives from the Adolescent and Youth Community Enablers. This advocacy event will empower the students and youth and will increase their knowledge about HIV, AIDS and STI and to become an effective messenger among their peers for preventing HIV, AIDS and STI and help to reduce its stigma.

Thank you and God bless!

Sincerely yours,

ELVA M. JOSON, M.D.
