THE SCHOOLS DIVISION SUPERINTENDENT

Division of Catanduanes
DepEd Regional Office No. V
Virac, Catanduanes

Projects: Mass Production and Supply and Delivery of Science and Mathematics Equipment to 2,966 Public Secondary Schools, and;

Mass Production and Supply and Delivery of Science and Math Equipment to 544 Public Secondary Schools, RSHSs and ESEP Schools (Rebid)

Dear Sir/Madam:

To make a distinction between the two projects, please be informed that the project: Mass Production and Supply and Delivery of Science and Mathematics Equipment to 2,966 Public Secondary Schools represented the balance of recipient schools that was not part of the CY 2012 awarded project while the second project: Mass Production and Supply and Delivery of Science and Math Equipment to 544 Public Secondary Schools, RSHSs and ESEP Schools (Rebid) are the remaining science equipment items that were not awarded in 2012 due to some procurement problems.

The National Science Teaching Instrumentation Center (NSTIC) is updating the data base of the duly authorized accountable officer/s of recipient schools in your Division to ensure that the goods under the above mentioned projects arrive at the intended destination and received only by authorized accountable officials.

Now more than ever, we respectfully request your assistance in the reproduction of the sample signature form and distribute these forms to the schools included in the attached list of recipient school/s in your Division. The form serve a dual purpose since it also requires a signed recent photo of the authorized officials for their easy recognition during the delivery of science equipment in the schools.

Please encourage the recipient schools to submit to the Division Office all the accomplished signature forms of the authorized accountable officer(s) for data verification and to make compulsory the submission of the forms to all recipient schools in the Division. Subsequently, the Division Office is requested to submit all verified forms of the recipient schools to the NSTIC Office on the last week of **June, 2014**. Delivery of the goods to the recipient schools is scheduled to start by July, 2014 .

We hope to receive the documents soonest. Thank you for the assistance extended.

Very truly yours,

RAUL C. LA ROSA
Director III
