Re: **Request to Disseminate Information regarding Professional Development Activities for School Leaders, Teachers and Non-Teaching Personnel**

In light of the pressing need to improve teacher quality and school leadership across all levels of basic education, and in support of ongoing national efforts to address learning recovery and enhance instructional competence, we respectfully request your assistance in disseminating information regarding an upcoming training initiative for school leaders and teachers within your jurisdiction.

This training program is informed by the findings of the Second Congressional Commission on Education (EDCOM II), which highlighted critical gaps in teacher preparation, continuing professional development, and instructional leadership. Among its key findings, EDCOM II emphasized the urgent need to align teacher development initiatives with classroom realities, ensure sustainability of training programs, and strengthen school leadership as a catalyst for effective teaching and learning.

In line with these directives, the upcoming training seeks to equip school heads and teachers with evidence-based strategies in curriculum planning, assessment design, inclusive education, and instructional leadership. It is designed to be responsive, practical, and aligned with national goals on quality and equity in education.

We respectfully seek your support in disseminating the training details to all concerned school personnel. We fully recognize that, pursuant to DepEd Order No. 28, s. 2001, your office is not authorized to endorse or accredit external goods and services. Nonetheless, we hope that you may assist in informing potential participants about this professional development opportunity. Participation in the training is entirely voluntary, and interested individuals may opt to attend using personal funds.

This initiative is aligned with the Department of Education's Five-Point Agenda, particularly the commitment to promoting the welfare and well-being of teachers and ensuring efficient and effective learning delivery in all its forms. Moreover, it supports the implementation of DepEd Order No. 9, s. 2025, which highlights the importance of reducing work-related stress through continuous professional development. By building teachers' capacity in instructional strategies, curriculum implementation, and classroom management, this program seeks to enhance both professional competence and teacher well-being.

For your reference and information, we have enclosed the individual invitation letters for each training program. These include essential details such as the training rationale, objectives, schedule, venue, registration fee, and the proposed program of activities.

We are hopeful that, through your valuable support, we can reach educators who are eager to continue growing in their profession and contributing meaningfully to learner success. Together, let us strengthen our shared commitment to quality education by investing in the continuous development and well-being of our teachers and school leaders.

Thank you very much for your time, understanding, and continued partnership in advancing professional excellence in the basic education sector.

Should you require further information or clarification, please do not hesitate to contact us at phedpd.inc@gmail.com or 09989925601.

Sincerely yours,
