You don't often get email from lvsantos@up.edu.ph. [Learn why this is important](#)  
Greetings,

My name is **Lourdes V. Santos**, a University Researcher at the Center for Local and Regional Governance, National College of Public Administration and Governance, University of the Philippines Diliman (CLRG-NCPAG).

I am reaching out to invite you to participate in a global survey on mental health, and to ask for your help in disseminating it to others who may be eligible.

This survey is part of the "2025 Global Mental Health" project led by the Irving Medical Center of Columbia University. The initiative aims to assess the current state of positive mental health across diverse regions worldwide, engaging a broad and representative sample. Insights from the study will help inform global and national policymakers and organizations on mental health challenges and strengths, paving the way for more targeted and effective interventions.

For the **Philippine leg** of the project, we are seeking participants who:

- Are 18 years old and above, and
- Are currently residing in the Philippines.

The survey takes approximately **10–15 minutes** to complete and is available in both English and Filipino:

- **English:** [https://cumc.co1.qualtrics.com/jfe/form/SV\\_5dn1sx6nkYH2RFk?Q\\_Language=EN-PHL](https://cumc.co1.qualtrics.com/jfe/form/SV_5dn1sx6nkYH2RFk?Q_Language=EN-PHL)
- **Filipino:** [https://cumc.co1.qualtrics.com/jfe/form/SV\\_5dn1sx6nkYH2RFk?Q\\_Language=FIL-PHL](https://cumc.co1.qualtrics.com/jfe/form/SV_5dn1sx6nkYH2RFk?Q_Language=FIL-PHL)

If you have any questions or would like more information about the study, I would be happy to connect you with our lead researcher, or you may contact me directly at [lvsantos@up.edu.ph](mailto:lvsantos@up.edu.ph).

Thank you very much for your time and support. We truly appreciate your participation and assistance in sharing this important initiative.
