 REGION V
 SCHOOLS DIVISION OFFICE OF CATANDUANES

MEMORANDUM

TO : Public School District Supervisors/In-Charge of the District, and
 Secondary School Heads/TICs

FROM : 
SUSAN S. COLLANO
 Assistant Schools Division Superintendent
 Officer-In-Charge
 Office of the Schools Division Superintendent 

SUBJECT: **SUBMISSION OF SF10/137 OF GRADUATING SENIOR HIGH SCHOOL**

DATE : April 14, 2021

This has reference with the communications received by this office from DOST Secretary Fortunato T. De La Pena and Undersecretary Atty Revsee A. Escobedo Unnumbered Memorandum requesting the assistance of all concerned for expediting the collection of all applicants' SF10/137.

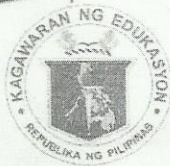

The DOST will use the grades as proxy indicators to the DOST-Science Education Institution (DOST-SEI) Undergraduate Scholarship Program for graduating Senior High School students both STEM and non-STEM track/strand and the requested applicants' SF10/137 are the following period:

Grade	Grades Covered
9	Average of first to fourth grading period
10	Average of first to fourth grading period
11	Average of first to second grading period (first semester) only

Please submit SF10/137 of applicants with transmittal list (LRN, Name and Average per grade level) to SGOD-Planning and Research Section. Should you have further clarifications, please contact SGOD-PRS through email address planning.ctd@deped.gov.ph and mobile number 09196015804.

For immediate action and strict compliance.

MEMORANDUM

TO : **Regional Directors**
Schools Division Superintendents
Public and Private Secondary School Heads
All Other Concerned

FROM : *Escobedo*
ATTY. REVSEE A. ESCOBEDO
Undersecretary
Field Operations, Palarong Pambansa Secretariat, and DEACO

SUBJECT : **REQUEST FOR ASSISTANCE IN FACILITATING AND/OR
EXPEDITING THE COORDINATION AND COLLECTION OF
FORM 137**

DATE : February 26, 2021

RECEIVED
MAR 03 2021
6:56:18:46

This has reference to the Department of Science and Technology-Science Education Institution (DOST-SEI) Undergraduate Scholarship Program open to graduating senior high school students in both STEM and non-STEM track/strand.

The DOST-SEI proposes the use of grades covering specific periods of our senior high school students as proxy indicators, in lieu of conducting a qualifying examination due to the dangers of emerging new variants of the virus.

For this reason, this Office hereby requests the assistance of all concerned for expediting the coordination and collection of all the applicants' Form 137.

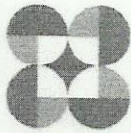

Enclosed are the details for your reference.

Your immediate action is requested.

Thank you very much.

DEPARTMENT OF SCIENCE AND TECHNOLOGY
OFFICE OF THE SECRETARY

25 January 2021

SECRETARY LEONOR M. BRIONES
Department of Education
Meralco Avenue, Pasig, 1605 Metro Manila

Dear **Secretary Briones**:

This is in connection with the DOST-SEI S&T Undergraduate Scholarships being implemented by the Department of Science and Technology-Science Education Institute (DOST-SEI).

The program is open to graduating senior high school students both at the STEM and Non-STEM track/strand. As part of the criteria of eligibility, applicants to the scholarship program are supposed to pass the qualifying examination.

The administration of the qualifying examination was scheduled in October 2020. However, due to the pandemic, it was postponed to a later date within the first semester of 2021. With the emerging variants of the virus, however, holding the examination is hardly possible considering the safety of both the examinees and testing personnel. As such, DOST-SEI is considering options other than administering an examination. The use of proxy indicators as practiced now by schools/universities in their admission process is being proposed to estimate the predicted performance of scholarship applicants. One of the proxy indicators identified are the grades of the applicants for the following period:

Grade	Grades Covered
9	Average of first to fourth grading period
10	Average of first to fourth grading period
11	Average of first to second grading period (first semester) only

To date, about 160,000 senior high school students filed their applications to the scholarship program. Getting the grades from this pool of applicants would require considerable time, effort, and resources.

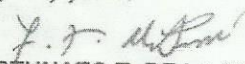

In view of this, may we request the assistance of your good Office, particularly in the coordination and collection of the applicants' Form 137 from the DepEd high schools. The collection of grades of applicants enrolled in senior high school in the region will be done by our DOST Regional Offices while those enrolled in NCR will be collected by DOST-SEI. We have prepared a draft memorandum to the DepEd Division Superintendents for your consideration. The DOST-SEI shall process payment of expenses to be incurred in relation to this undertaking.

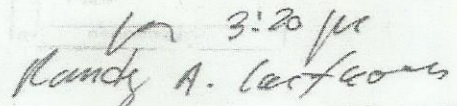

Ms. Anne Chiara Amponin of the DOST-SEI shall coordinate with your Office on this matter. Should you have further questions, she may be reached through e-mail address acs.amponin@gmail.com and mobile number 09175910126.

We will highly appreciate your kind assistance in this significant endeavor.

Thank you.

Very truly yours,

FORTUNATO T. DE LA PEÑA
Secretary, DOST
