Subject: Attendance of Teacher Trainees in the Training Methodology Course I

Date: July 8, 2014

It has come to the attention of the TESDA Management that teachers attending the Trainers Methodology Course which started last May 20, 2014 are no longer reporting to the training.

In view of this and in order to complete the training days required before the scheduled assessment on July 16-18, 2014, teachers listed at the back of this sheet are advised to report at the training venue starting tomorrow July 9, 2014 until the scheduled assessment.

Likewise, these teachers are required to submit a copy of their output (learning modules) to this office.

For wide dissemination, guidance and compliance.
