Dear **Superintendent Collano**,

Good morning.

In accordance with the preparations for **CSCCI's 8<sup>th</sup> Regional Youth Entrepreneurship Congress**, our partnership project with the Department of Information and Communications Technology – Camarines Sur, Department of Trade and Industry – Camarines Sur, and the Provincial Government of Camarines Sur, the 8th RYEC Committee is here to provide you with some updates regarding the event.

#### 1. Change of Venue

The 8<sup>th</sup> RYEC will now be conducted at the newly constructed **Camarines Sur Sports Complex** and not the **Capitol Convention Center** as stated in our previous letters/meetings. The new venue is just beside the latter.

#### 2. Business Pitching

We are also happy to announce that we will now be accepting unlimited entries from each school participating in the 8<sup>th</sup> RYEC. The number of presenters that we will choose however has been reduced to just 3 instead of 5. **CSCCI's selected Top 3 will automatically receive P20,000.**

#### 3. Biggest Delegation

Only the **top school** with the largest delegation will receive an award and a cash prize of P10,000.

#### 4. New Program

For your reference, attached herewith are the new program and business pitching guidelines.

#### 5. Walk-in Participants

The 8<sup>th</sup> RYEC is now open for walk-in participants although we still encourage registration prior to the event to avoid delays with the IDs, Kits, and Certificates.

#### 6. Teachers and Faculty Members

Teachers and Faculty Members are also required to pay the P750 Registration Fee. Please be advised that **for every 50 Students, 1 Teacher/Faculty Member/Staff will be free of charge.**

#### 7. SHS and JHS students are also welcome to attend.

For more inquiries and clarifications, please contact us through the details provided below.

## BUSINESS PITCHING for RYEC Project of CSCCI

### RATIONALE

This project is part of the mandate of CSCCI to provide assistance to young business entrepreneurs thru trainings, seminars, and access to capital. In consonance with its program Regional Youth Entrepreneurial Congress (RYEC), CSCCI has adopted this project to augment the learnings of the participants by opening up opportunities to partner with CSCCI members by mentoring and capital infusion.

### OBJECTIVES

This project aims to achieve the following:

1. Active and direct engagement of CSCCI members in the business pursuits of selected participants in the RYEC
2. Uplift the business capabilities of the proponents thru actual mentoring and guidance of seasoned businessmen
3. Expand the market reach and potential of the proponent's business by additional capital infusion from a CSCCI investor
4. Ensure the success of the proponent's business by partnering with a seasoned business practitioner

### MECHANICS

As part of the RYEC program, there shall be a business pitching event wherein selected participants will present their business proposals to a panel of investors from the CSCCI. Upon presentation the investors will decide whether or not to provide capital infusion to the business presented. This capital infusion shall represent partial ownership of the business in terms of percentage. Since the project envisions only to assist and not to takeover the business, the percentage ownership of the investor shall not exceed 49%.
