4. A copy of the list of teachers must also be submitted to the SGOD-Social Mobilization Unit or HRD Unit for record purposes.
5. Orientation of the participants is **on January 19, 2022**, via a virtual platform. Link to the virtual orientation will be sent to the registered email.
6. For more details, please see the attached letter from AHA Learning Center or you may contact Elizabeth S. Urbano, EPS II – HRD and Marife B. Brequillo, SEPS – Social Mobilization and Networking Unit.

January 12, 2022

Dr. Susan S. Collano
Schools Division Superintendent
Department of Education - Catanduanes

Dear Dr. Collano,

Love and light! Thank you again for another year of partnering with the AHA Learning Center, a non-profit organization that gives world class interventions for our public schools.

I am writing to inform you about our project, **Tulong Eskwela: Teaching at the Right Level (TaRL)**, an education program that tailors teacher instruction to the learning level of the child, rather than their age. The goal of the program is to help students achieve basic literacy and numeracy skills before they finish primary school. To know more about the program, you may see the project overview through this link:

<https://bit.ly/AHATETaRL-ProgramOverview-SDOCatanduanes>

We're inviting teams of teachers from SDO Catanduanes schools who are interested to adapt the Teaching at the Right Level (TaRL) program in their schools. If your school is interested, please form a TaRL team from your school and assign a team leader. Kindly have all the members fill out the sign-up sheet through this link:

<https://bit.ly/AHATETaRL-Registration-Catanduanes-SY2122>

We will have an orientation for the teachers who signed up on Wednesday, January 19, 2022 to be better prepared for the program. This is recommended for Grades 3-6 teachers, but the program is open for teachers from all levels especially if there are students from that level who need help with their basic literacy and numeracy skills.

We're looking forward to working with you on these projects this year!

Respectfully,

Jowella Marie Rey
Program Officer
AHA! Learning Center
