July 17, 2023

Dear Sir/Madam:

Greetings of peace!

The Biology Teachers Association of the Philippines, Inc.-Bicol Chapter will hold its 11<sup>th</sup> Annual BIOTA-Bicol Chapter Convention and Scientific Sessions on August 3-4, 2023 at the Central Bicol State University of Agriculture (CBSUA), San Jose, Pili, Camarines Sur. This year's convention theme "**Creating a Mindful Generation: Biology Education with Mental Health Advocacy**" emphasizes the need to understand the mind as it affects the behavior in the practice of Biology. As it is in the past BIOTA-Bicol Regional Conventions, activities include plenary lecture sessions, parallel lecture- seminars and workshops, and poster presentations.

The convention is mainly an in-person event. It is expected to gather a significant number of Biology educators, researchers, and students from all levels of public and private schools and educational and research institutions regionwide. The two-day event is a venue for the academe, research, and the industry to network and build ties.

In this connection, we humbly invite the BIOTA members and Science Teachers in your institution/division to attend the convention. Please find attached flyer for details of the registration fees or access the link <https://www.facebook.com/biotaphils.bicolchapter> If you have questions, please contact the BIOTA Secretariat through [biotabicolchapter.1996@gmail.com](mailto:biotabicolchapter.1996@gmail.com) or the Convention Chairperson.

It is with positive anticipation that this will be granted as we all envision excellence and in pursuit of maintaining high standards in an academic environment.

Looking forward to your kind response. Thank you very much for your support to the programs and activities of BIOTA-Bicol and God bless.

Respectfully yours,

  
**MARIA FELICIANA BENITA M. ELORETA, Ph.D**  
BIOTA Bicol 11<sup>th</sup> Convention Chairperson  
Vice President, BIOTA
