Dear Sir / Madam,

A Pleasant day to you!

We are the Mary Queen of Heaven Missionaries, a religious community established in the Archdiocese of Cebu in 1996. One aspect of our ministry is to rescue and rehabilitate women and children survivors of sexual trafficking, prostitution and abused minors (sexual or otherwise).

The Mary Queen of Heaven Missionaries are licensed to operate the **HOME of LOVE** in Tuburan, Cebu to take care of the rehabilitation of survivors of prostitution (sex trafficked women and children) and the **MY BONITA HOME for GIRLS** in Purok 3, Barangay San Jose, Cebu, helping abused minors would like to ask help from your good office for referrals of such cases.

We are hampered by this pandemic in actively visiting establishments to look for them. We had discharged many women who had undergone rehabilitation and livelihood program and are now re-integrated to society. Both of our centers had many vacancies and we do not want this pandemic to hinder us in helping those who wants to be helped. In this regard, we would **appreciate your help if you could refer to us those in need of help.**

Both of our centers have programs of rehabilitation and counselling, education and livelihood training in preparation for their re-integration to society.

We also have the Regina Coeli Education Assistance Program for the rural poor to protect them from the hands of illegal recruiters who frequents their areas promising fictitious job placements to deceive parents to let their children to come with them.

Hoping you would be our partner in helping these women and children.

Thank you and may God bless you and your office.

In Faith, Hope and Love,
