4. Anent to this, this SDO through the Curriculum Implementation Division will hold a training which among the PGCs to: a). orient them about the basic counselling skills, para-counselling process, do's and don'ts of Non-Registered Guidance Counselors, and counseling caselets Analysis; b) teach them on how to develop support activities to strengthen the mental and psychological well-being of their learners; c) present different approaches to the care and protection of children by crafting the Basic Intervention Plan along the delivery
