Greetings from Educo!

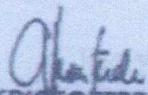

Foremost, our sincere appreciation for the strong partnership with Educo in the implementation of projects that promote the rights and well-being of children in Catanduanes.

Currently, we are partnering with ChildFund Korea on a Disaster Preparedness Project entitled "Strengthening Accountability for Girls and Boys in DRRM Situation" currently being implemented in the Province of Catanduanes. One of the identified outcomes of the Project is to strengthen the responsive safety measures considering children at school before, during, and after the disaster.

Relative to this, we would like to set a **Planning Meeting from the above-mentioned focal persons of DepEd Catanduanes on July 28, 2024, 10 am and 12:00nn at the SGOD office.** The objective of the said meeting is to brainstorm and finalize the School DRRM and Education and Emergencies (EIE) Training in the 30 covered schools of Project SAFE II in the Division of Catanduanes.

Should you have any concerns on this matter, please do not hesitate to contact thru undersigned through email () or phone (+63 956-670-4878).

Thank you very much and looking forward to your positive response.
