The Head of Agency

Re: GSIS Touch Mobile App and GWAPS Kiosk

Dear Sir/Maam,

We hope this letter finds you well. The GSIS, in support of the national government's agenda to move towards digital transactions is actively promoting the use of our in-house developed GSIS Touch Mobile App. With this app, members can access their records, do tentative loan computation, apply for and monitor their loans. The app also allows tentative computations and applications for life and retirement claims. Premium and loan payments posting notifications also come standard. Essentially, the GSIS Touch Mobile App can perform all the functions of the GSIS Wireless Automated Processing System (GWAPS) Kiosk.

In this regard, we would like to solicit your assistance in the active promotion of the use of the GSIS Touch Mobile App among the GSIS members in your agency as this will promote efficient and accessible service to our stakeholders or GINHAWA as we in GSIS refer to it. We have attached to this letter an easy guide on the easy steps in downloading and using the GSIS Touch Mobile App as well as some links to GSIS produced and posted YouTube videos showing tutorials on how to use and navigate the app.

As a partner in uplifting the lives of our civil servants, may we request you to reproduce this letter and the attached flyer in conspicuous areas in your office so that your employees will be aware of this campaign to promote the use of the GSIS Touch Mobile App.

Yours in public service.
