The Office of the Undersecretary for Operations (OUOPS), through the Office of the Assistant Secretary for Operations (OASOPS) and the Bureau of Learner Support Services-Youth Formation Division (BLSS-YFD), *transitioning to Learner Formation Division*, will conduct a series of **Microsoft Youth Ambassadors (MYA) Capstone Projects** on **September 18 to November 10, 2023** which will be done on a hybrid setting and will be led by the successful MYA 2.0 participants nationwide.

In partnership with Microsoft Philippines, this program aims to onboard empowered Filipino learners who will represent the Department of Education (DepEd) by promoting the innovative and responsible use of technology in the school and the community, provide learners with access to resources and a variety of opportunities to deepen their knowledge and practice their skills while supporting their curricular and co-curricular activities, and promote the importance of creating and maintaining a culture of digital citizenship that extends beyond the classroom and the school.

As part of the program completion, all MYA 2.0 successful applicants are required to conduct their own training to impart basic knowledge on topics like: *Microsoft 365 applications, Cybersecurity, Digital Citizenship, Servant Leadership and Professional Communication Skills*. Through this, all MYAs shall be able to communicate effectively with their team members and fellow learners to bring out the best possible outputs in technology.

In this regard, OASOPS would like to respectfully request all levels of governance to provide support and technical assistance to the Microsoft Youth Ambassadors to ensure successful implementation of the activities. All DepEd offices from the Regional Office (RO), Schools Division Office (SDO) and schools, through their respective Regional Youth Formation Coordinators (RYFCs), Division Youth Formation Coordinators (DYFCs), Supreme Secondary Learner Government (SSLG) Teacher-Advisers, and Information and Communications Technology (ICT) Coordinators, are hereby requested to extend their support and assistance by undertaking the following activities, such as but not limited to:

- c. providing access to necessary technology platforms and tools for smooth project execution and to reach a wider audience;

- e. creating a safe and inclusive environment where MYAs and the learner-participants feel comfortable expressing themselves and their ideas during the capstone projects.

Moreover, the participation of learners in the MYA Capstone Projects is **voluntary**. The activities shall be allowed, provided they are conducted after class hours, when classes are not hampered or disrupted.
