Madam,

Good day!

I, Lisset E. Talledo, Teacher I at Obo Elementary School, Obo, San Miguel, Catanduanes, had an accident last May, 2021 which led to multiple injuries. I underwent series of major surgeries which led me and my family to apply for various loans. My family is struggling to earn a living that I no longer afford to buy the escalating needs of my four children.

I am presently confined in Bicol Medical Center Naga since August, 2023 for another major leg surgery amounting to Php 93,000.00 cash, daily expenses and hospital bills.

In this regard, I humbly request and ask permission from your office to allow me to ask for financial assistance from the DepEd Family. Your valuable response is greatly needed in augmenting the demand for my operation.

I am truly grateful for extending your helping hands in my case and hoping for your positive response regarding this matter the soonest.

Attached herewith is the letter proposed quotation and a medical abstract.

Thank you and may God bless you more.
