**Good day, Sir!**

Greetings!

The "1st International Research Conference on Education and Social Sciences" aims to create a dynamic platform for researchers, academicians, and professionals from around the world to converge and exchange their latest research findings, innovative ideas, and experiences in the fields of education and social sciences. In an era of rapid global changes, these two domains play pivotal roles in shaping societies and fostering sustainable development.

Education is the cornerstone of societal progress, influencing not only individual lives but also the collective well-being of communities and nations. Additionally, social sciences provide critical insights into human behavior, societal structures, and the complex interplay of factors that contribute to the fabric of our societies. The convergence of education and social sciences in this conference will foster interdisciplinary collaboration, encouraging the exploration of holistic solutions to contemporary challenges.

**Asian Society for Productivity and Innovation in Research and Education** in partnership with **International Journal of Multidisciplinary Educational Research and Innovation** humbly request that you support this issue in any way that you can, for an immersive conference on Education and Social Sciences. This invitation is only for advisory, the participation of the concerned individuals is in voluntary basis and to those who are interested only.
