*(1<sup>st</sup> speaker lights the large candle and reads the following)*

**SPEAKER 1**

Girl Scouts all over the world celebrate Thinking Day on February 22 of every year, to signify the great efforts and vital contribution made by the Scouting Movement towards promoting world fellowship and peace.

**SPEAKER 2**

Thinking Day commemorates the joint birthdays of the Founder of the Scouting Movement, Lord Robert and her wife Lady Olave Baden Powell. It is especially designated as international day to symbolize the unity of members of the World Family of Scouting, a day for "thinking of each other and for circling the world with a chain of warm, friendly thoughts."

**SPEAKER 3**

In 1912, Lord BADEN POWELL met OLAVE St. Clair Soames on a cruise. OLAVE and BADEN POWELL not only shared the same birthdays, but by the end of the cruise, they were secretly engaged! Although born 32 years apart, Olave and Robert found out they had much in common: love of the outdoors, sports and music. They were married later that year, and OLAVE became Lady BADEN POWELL and World Chief Guide.

**SPEAKER 4**

Thinking Day is also a way for girls and young women to learn about the life of their peers in other countries and to explore the Girl Guide and Girl Scout experience across the globe. This special day serves as an opportunity to celebrate international friendship, learn about and take action on important issues, and fundraise in support of the World Thinking Day Fund.

**SPEAKER 5**

As we celebrate Thinking Day, we should remember that in the fellowship of Girl Guides and Girl Scouts we have sisters from 152 countries around the world; that we owe a debt of love and gratitude to our Founder and World Chief Guide; that our dearest debt is to our Heavenly Father, who inspired our leaders with such a vision of the unity of mankind.

**PATROL 1**

On Thinking Day, distances shrink, age differences vanish, nationalities, cultures and creeds blend, people stand united as kind thoughts, love and understanding circle the world. It is also a special time for our reaffirmation of the PROMISE made and rededication to the challenges and tasks ahead. As the lines in our World Song go... "We must unite for what is right... To give to all both great and small all we can give."

**Song (All):**

**GIRL SCOUTS TOGETHER**

Girl Scouts together, that is our song,  
Winding the old trails, rocky and long,  
Learning our motto, living our creed,  
Girl Scouts together, in every good deed.

Girl Scouts together, happy are we,  
Friendly to neighbors, far o'er the sea.  
Faithful to country, loyal to home,  
Known as true Girl Scouts wherever we roam.

**PATROL 2**

The COVID-19 pandemic took hold across the globe and hugely affected the World Thinking Day Celebration and the funds that many of you are normally able to raise to support Girl Guides and Girl Scouts around the world. With less donations, some of the projects the fund supports like leadership workshops for young women, support to Girl Guide and Girl Scout Associations around the world, and the development of the World Thinking Day Activity Pack, have been adversely affected.

**PATROL 3**

This year, we'll celebrate the final part of our three-year journey for Girl Guides and Girl Scouts to become environmentally conscious leaders with the **2024 World Thinking Day Theme, "Our World, Our Thriving Future"**. It is an exciting learning journey to explore environmental issues through the lens of gender equality (2022 theme), peace (2023 theme) and poverty.

**PATROL 4**

This environmental theme was born out of the 2020 youth consultations for the International Day of the Girl (IDG), where Girl Guides and Girl Scouts under 18 from 100 countries reported that the environment was their number one concern that they wanted to address. In the 2022 IDG consultation, girls continued to report a strong interest in the environment, with 30% of respondents wanting to further explore the topic of climate change and nature.

**PATROL 5**

Over the last thirty years the world has made great progress towards eradicating poverty which is now within our reach. However, climate change threatens this global progress. If not addressed, it could push an additional 130 million people into poverty over the next ten years. Climate justice involves taking action to combat the climate crisis through a holistic approach that recognizes that not all people have contributed the same to this issue. As you continue to learn about climate change and take action to tackle the problems it has created, remember to use your worldly mindset and think about how these problems are affecting others around the world.

**All**

This World Thinking Day, and every day, we recognize the importance of working to build a world where this is true for everyone, wherever they live. As the global Movement with 10 million Girl Guides and Girl Scouts in 152 countries – all with diverse backgrounds and experiences – we can learn a huge amount about ourselves, others and the world by connecting and sharing our experiences.

Thinking Day gives us a major opportunity to help each other through our voluntary efforts. Every centavo that we share will go a long way to support Girl Guiding and Girl Scouting programs all over the world. The World Thinking Day Fund also helps girls' voices to be heard globally, have access to unique and empowering non-formal educational experiences, and delivers leadership training to young women. Our contributions will strengthen our existence as a World Association.

*(For Online Ceremony: Slide for GSP Bank Account will be shown while singing "The World Song")*

*(For Face-to-Face Ceremony: Participants sing the WORLD SONG, as they stand in place. At the second round of the song they exit, passing by the table at the center where they drop their Thinking Day contributions in the basket.)*

**Song (All): THE WORLD SONG**

Our way is clear as we march on  
And see our flag on high  
Is never furled throughout the world  
For hope shall never die  
We must unite for what is right  
In friendship true and strong  
Until the earth in its rebirth  
Shall sing our song!  
Shall sing our song!

Paglakad natin ay mapanatag  
Ang bandila ay masdan  
Mananatiling nakawagayway,  
ang pag asa'y may buhay  
Pagkakaisa'y nararapat,  
magmamahaian ng tapat  
Kapag ang daigdig ay nagkakaisa,  
tayong lahat liligaya
