POLICY MASTERCLASS

WORKSHOP

25th - 26th September 2024

Government Exchange (GE) wish to advise you that we are taking applications for the 2-day "virtual" Open Course on **Policy Masterclass** is scheduled to take place on **Wednesday 25th & Thursday 26th September 2024**, respectively.

Government Exchange offers a wide range of highly informative interactive training events and certificated courses, providing insights into the workings of Parliament, Government and policymaking.

POLICY MASTERCLASS: <https://www.governmentexchange.co.uk/courses/policy-strategy-skills/PLCMC.php>

This two-day Policy Masterclass is meticulously designed to equip experienced senior civil servants with a strategic understanding of policy development, from conception through implementation. By integrating insights on global trends, pitfalls avoidance, and the intersection of policy and project management, this course goes beyond traditional policy courses to examine how policy works in practice and how success can be achieved from an operational and strategic basis. Participants will engage in a holistic exploration of delivery mechanisms and futures thinking, enhancing their ability to shape resilient and effective policies.

Through interactive sessions, case studies, and expert-led discussions, attendees will gain the skills to navigate and influence the complex policy landscape effectively, ensuring their contributions drive meaningful and sustainable impact in the public sector.

Learning Outcomes:

This event is for experienced policy makers or those looking to build on existing knowledge of the policy making process. Participants will explore:

1. Explore global trends shaping the policy landscape and their strategic implications for senior decision-makers.
2. Examine common pitfalls in policy formulation and advanced strategies for their mitigation.
3. Delve into the critical interplay between policy frameworks and project management excellence.
4. Assess the impact of open government principles on sophisticated policy development processes.
5. Apply rigorous selection criteria in policy development to drive effective and sustainable outcomes.
6. Evaluate the influence of delivery chains on policy success, drawing on best practices and case studies.
7. Investigate the role of futures thinking in strategic policy planning and its importance for forward-looking governance.

VIRTUAL WORKSHOP FEE: £988 + VAT (Inclusive of £152 bursary)
