FOUNDATION PROGRAM

The UNDERSTANDING THE ASEAN COMMUNITY online course

Course Description

This program will immerse participants in the multifaceted landscape of ASEAN by gaining insights into its political, economic, and socio-cultural dimensions. From exploring its historical roots to dissecting governance structures and economic integration initiatives, participants will emerge with a comprehensive understanding ASEAN's regional significance and impact.

Performance Objective

The purpose of this course is to equip participants with the knowledge and skills to effectively engage with the ASEAN community. By examining ASEAN countries' political, economic and socio-cultural competence. By the end of the course, Philippine civil servants will emerge with heightened awareness, understanding, and appreciation of the ASEAN community, equipped with practical strategies for engaging with and contributing to regional cooperation, development, and harmony.
