“National Holistic Wellness Advocacy 2025”

The CPD for Teachers United Inc. and CPDCFT Training Center are now collaborating to be one of the biggest advocacies this 2025 in reaching our beloved teachers and help them achieve their optimum level of delivering quality education to our learners.

Teachers nowadays encounter stresses and have issues with their mental health resulting in absences, having no peace of mind and even death through sickness and suicide. Furthermore, there is a lack of opportunities for many teachers to get the opportunity and the financial constraint to professional development for their professional growth and requirement for license renewal as the CPD Law of 2016 is currently and strongly implemented.

To address the issues mentioned above, the CPD for Teachers United Inc. and the CPDCFT Training Center is conducting a “National Holistic Wellness Advocacy” campaign starting this January-December 2025.

Legal basis of our national advocacy campaign are the Mental Health Act of 2017 and the Republic Act No. 7192 known as the Women in Development and Nation-Building Act.

This invitation is voluntary. Our purpose is to campaign the Mental Health Awareness of the teacher around the country and the Gender and Development. It is a hybrid combined online and Onsite seminar series.

Attached are the Event titles, location and date of events. The advocacy seminar series is **FREE** of charge.

Attached herewith is the Advocacy Series of FREE Seminars 2025.
