Subject: Request for Assistance to Answer the Survey for Special Education Fund (Region V)

Dear Regional Directors,

Attention: School Division/District Superintendents, School Principals

Good day!

I am Racel A. Cabantud, a Filipino student in the National Graduate Institute for Policy Studies (GRIPS) under the Young Leaders Program-School of Local Governance (YLP-SLG). As part of my academic requirements, I am conducting an Independent Study on the Resource Mobilization of the Special Education Fund in the Local Government Units.

Relative thereto, I want to conduct perception survey to the Principal of Public Elementary and Secondary Schools, School Division Superintendents, District Superintendents, and other DepEd Staffs who are working on the financial management of public schools. This survey mainly focuses on the impact of the Special Education Fund's programs, projects, and activities on public elementary and secondary schools' operations and students and that of DepEd Division Office. Your honest and accurate answers are highly appreciated to provide inputs and possible bases for the enhancement of existing policy on the allocation and utilization of the Special Education Fund of the Local Government Units in the Philippines.

To maximize the number of my respondents, I am humbly asking the assistance of the Office of the DepEd Regional Directors, Schools Division Superintendents, and District Superintendents to disseminate this survey to all the Public Elementary and Secondary Schools Principals under their respective jurisdiction. Below is the link to the Survey Questionnaire.

I will be glad to receive the accomplished survey form on or before May 31, 2024.
