**EXTENDED SCHEDULE ON THE PARTICIPATION AND ACCOMPLISHMENT OF  
THE SENIOR HIGH SCHOOL (SHS) TRACER TOOL**

To : Schools Division Superintendents

1. The status of the validated Senior High School (SHS) tracer results reported during the regional online conference on January 30, 2024 by the SHS coordinators/ Senior Education Program Specialists on Monitoring and Evaluation gave a low percentage of participation from the target SHS graduates. Several reasons and challenges that contributed to the poor turnout of results were presented. These were acknowledged however, this Office requests that the one-month extension (**February 7 to March 7, 2024**) in the participation and accomplishment of the SHS Tracer Tool be considered a **PRIORITY** by all the Schools Division Offices.
2. The specific activities per timeline in the conduct of the SHS tracer study started in August 2023. The target respondents are the SHS graduates from S.Y. 2017-2018 to S.Y. 2021-2022 in public schools, private schools, state and local universities and colleges, and those from Technical Vocational Institutions (TVIs). The results of this tracer study are considered vital in assessing the SHS program implementation in the region.
3. To ensure an increase in the involvement of SHS graduates from the aforementioned schools, the Schools Division Offices through the SHS coordinators and SEPS on Monitoring and Evaluation are advised to exhaust all means to provide the graduates the opportunity to accomplish the tool online. They should check the status of accomplishment reflected in the online tool that can be accessed in a link to be forwarded in the Facebook Group Chat of the R5 Tracer Team.
4. A new link in MS Teams was created with the purpose of tracking more SHS graduates. This can be accessed at <https://forms.office.com/r/kNjbRUuWic>
5. The second round of reporting by division on the validated tracer results shall be announced through a regional advisory
6. For immediate dissemination and compliance.
