 School Division Superintendent  
 School Division of Catanduanes City  
 Region V

Dear **Ma'am Dela Rosa**,

Warm greetings from LINK Center for the Deaf Inc.!

We are grateful for the support that you have provided to the successful implementation of LINK Center's Online Teacher Enhancement Program 2022-2023: Sustaining Inclusive Education in the NOW Normal, in partnership with Misereor.

As we continue our mission of providing relevant support and services for the successful and effective implementation of Inclusive Education in the Philippines, LINK Center for the Deaf Inc. will be creating a learning resource guide for general education teachers. The learning resource guide is based on the results of webinar evaluations and post-webinar survey of the Online Teacher Enhancement Program 2022-2023: Sustaining Inclusive Education in the NOW Normal that showed the urgent need of teachers receiving learners with disabilities of accessible, relevant, and applicable teaching resources and materials in response to the Department of Education (DepEd) full implementation of Inclusive Education in all schools. Additionally, in support of DepEd's MATATAG Agenda particularly in taking good care of learners by promoting inclusive education and providing relevant supports to teachers, LINK Center for the Deaf Inc. will also offer a series of webinars, free of charge, which will also serve as a venue in preparation for the official launch of the resource guide. The webinars, under the Online Teacher Enhancement Program 2024, aim to equip teachers with theoretical knowledge and practical skills to support students with diverse learning needs in an inclusive learning environment.

Please refer to the table below for the schedule of the webinars:
