No. 12, s. 2014

TO: District Supervisors

Kindergarten Teachers

1. In compliance to the observance of the austerity measures during the closing exercises, all concerned are enjoined to observe the corrigendum to wit:
 - a. The stage backdrop and program for moving up ceremonies should be **“Hindi Natitinag Ang Pusong Pilipino”** instead of “Learn, Grow and Succeed in K to 12” as previously announced/circularized to the filed per Division Memorandum No. 15, s. 2014.
 - b. For those schools that have already notified the guest speaker of the former theme, may use the theme previously issued and the new theme will be used by those who will just invite guest speakers after receipt of this memorandum.
2. The stage backdrop should bear new theme for both moving-up/recognition/closing/graduation ceremonies to minimize expenses, effort and loss of time in fixing up the stage.
