The 2015 Wellness Campus Program is a joint project of the Department of Education (DepEd) and Nestle Philippines Inc. (NPI), through Greatfill Team Inc. (GTI). This program not only aims to continue develop the wellness mindset among high school students through habit formation but is also encouraging the school to deliver its potential in terms of best performance and program execution and to provide a venue for the students to showcase and express their talents and gain self-confidence in the process through exposure.

In line with this program, the Division will conduct a 2015 Division Wellness Campus Contest. The participating school shall strictly comply with the following mechanics:

1. The contest is open to all interested secondary schools who have implemented the Wellness Campus Dancercise during the flag raising ceremonies, and the nutrition modules in their P.E. and Health classes. The implementation of the said program must include the whole school population which must be properly documented. The MAPEH Division Supervisor together with the GTI representative will validate the implementation before the school can be considered officially qualified to join the contest.

The CD shall be submitted to Mr. Nelson T. Sicio, EPS-1, MAPEH. Deadline of submission is on September 11, 2015. No entry shall be accepted beyond this date.
